Portland Community College

- Cascade Microbiology

  - Front Matter
  - 1: An Invisible World
  - 2: How We See the Invisible World
  - 3: The Cell
  - 4: Prokaryotic Diversity
  - 5: The Eukaryotes of Microbiology
  - 6: Acellular Pathogens
  - 7: Microbial Metabolism
  - 8: Microbial Growth
  - 9: Mechanisms of Microbial Genetics
  - 10: Modern Applications of Microbial Genetics
