New England College

- Microbiology with NEC

- Front Matter
- 1: Depth and Breadth of Microbiology
- 2: Chemistry and Biochemistry
- 3: Prokaryotic Diversity
- 4: The Eukaryotes of Microbiology
- 5: Mechanisms of Microbial Genetics
- 6: Acellular Pathogens
- 7: Microbial Metabolism
- 8: Microbial Growth
- 9: Modern Applications of Microbial Genetics
- 10: Control of Microbial Growth
11: Microbial Pathogenicity and Epidemiology
  ◦ 12: Innate Nonspecific Host Defenses
  ◦ 13: Specific Adaptive Host Defenses
  ◦ 14: Appendix- In the Laboratory
  ◦ Back Matter
